

# Possible New TRRG Focus

**Improving Public Participation in  
Transportation Planning**

**TRRG . . . seeking positive change  
in City of Tucson government**

**The Broadway Corridor transportation planning  
process has been found unsatisfactory by some  
but**

**Some transportation projects apparently  
don't have big planning problems**

**Fact vs. Fiction**

**Loose Talk vs. Firm Agreement**

**SOP vs. Evolving Premises**

**Perception and Influence**

# **Objectives Reflect Values**

**How should the planning framework reflect the community's diverse objectives?**

**How is community sentiment determined?**

**Communication doesn't keep up  
with evolving decisions**

**What should a revised  
process look like?**
