TRRG Study of Public Participation at Mayor and Council Meetings

At the TRRG Annual Meeting on April 30th, there will be a discussion of what the TRRG Process Task Force has found in studying the process for public participation in Mayor and Council Meetings, how it works now, how it has been in the past and how other Arizona Cities do it. From this study, some recommendations are made on how this process might be improved.

So that you may be an informed participant in that discussion, we are posting on the TRRG website an executive summary, as well as the full report of the study. Please read the executive summary and refer to the report for details.

A short business meeting will conclude the afternoon's agenda. Please prepare to vote on approval of the April 25, 2015 Annual Meeting Minutes (in the middle of the web page) and to read brief bios of members running for Board of Directors for a 2016-2018 term.
