

**Facilitator Worksheet for Developing Tweet-like Message to Mayor and Council**

Message starter: **After self-assessing our area/neighborhood plans, we want you to know \_\_\_\_\_**

**Maximum message: 50 total words.** “The sentence starter has used up 11 words, so we have 39 left to use.”

Go around the table, asking **each** person to share what comes to mind. You may want to jot down key words you hear on the notebook paper attached here or put on your I-Pad, tablet, etc.

“Did we have any consensus in our thoughts? Anything you heard that you would want to be sure to include in our message?”

Refine it into a message with people’s help, count words, put final draft at bottom of this page in legible handwriting or send it to me at [beekerr2@netzero.net](mailto:beekerr2@netzero.net)

**Be aware of time—you should be refining by 7:35. We will be sharing by 7:45.**

Final message: After self-assessing our area/neighborhoods plans, we want you to know
